

Stewards Directive No 1 – 15 May 2020

Directive by the Hurlingham Polo Association – Covid-19

No member of the HPA shall be allowed to exercise, take part in training for polo, play polo or go to an affiliated club unless they have been symptom-free of Covid-19 for the last 14 days, nor been in contact with anyone who has those symptoms, except in a professional capacity as a doctor, nurse, or allied health professional. This also applies to any person working for or supporting the said member who shall be responsible for ensuring that any such persons comply with this Directive and any other rules in force for Covid-19.
